**Re: United States v. Nigel Francis**  
**22 Cr 491 (NSR)**

Dear Judge Roman:

I write requesting that the Court adjourn the scheduled sentencing date of December 20, 2022, for approximately 45-60 days and to extend the disclosure dates for Probation to prepare and complete its Pre-Sentence Report (PSR).

Mr. Francis was scheduled to be interviewed by Probation during the week of October 17, 2022. I am starting a 4-6 week trial on October 17<sup>th</sup> and will be unavailable. In addition, I am in the throes of preparation for that trial now and fully booked prior to the commencement of that trial. Even if an interview could be conducted sooner, I will not have an opportunity to meet with Mr. Francis, review the first draft of the PSR, and prepare a sentencing memorandum, which in this case will require an inordinate amount of work given the charges and Mr. King's personal history and background.

I respectfully request that the Court grant this application to extend the deadline dates for Probation to interview Mr. Francis and prepare its report and to adjourn the sentence date. If this application meets with the Court's approval, then I respectfully request that you "So Order" this letter.

Thank you for your consideration in this matter.

Respectfully submitted,
